MEMO:

TO: Montana water & wastewater related businesses and organizations

FROM: Nancy Bruner, MSAWWA Exec. Sec./MWEA Exec. Dir.

SUBJECT: Sponsors for the 2010 MSAWWA/MWEA Annual Joint Conference
Water For People Silent Auction Items

On behalf of the Montana Section of the American Water Works Association and the Montana Water Environment Association I would like to extend to you an invitation to become a sponsor for our 2010 Annual Joint Conference. The conference is being held in Kalispell, Montana at the Hilton Garden Inn, May 4-6, 2010, with the preconference scheduled for May 4. The theme for this conference is "Water Sustainability."

This would provide your business or organization the opportunity for public recognition to approximately 150 - 200 people who serve Montana's water and wastewater industry in fields related to engineering, consulting and municipality operations and maintenance just to name a few areas.

Please note if you wish to sponsor a function and want recognition in the conference program you need to return the sponsorship form and check to me by April 1, 2010.

We would also like to invite you to donate a gift for the Annual Water For People silent auction. All proceeds from the silent auction go to Water For People projects in Malawii and Honduras. Please contact Shelley Nolan, MSAWWA WFP Co-Chair at snolan@mt.gov or John Camden MSAWWA WFP Co-Chair at jcamden50@bresnan.net to let them know if you would like to donate an item by **April 30, 2010**.

You may also check out our web-site at www.montana-awwa.org for more details about the conference.

Please contact me with any questions you may have by any of the communication means listed in the letterhead above.
