RE: Silent Auction Prize Donations

Dear Valued Supporters:

As many of you are aware, every year at our annual conference for MSAWWA & MWEA we hold a silent auction fundraiser for WFP. WFP is a non-profit organization whose main goal is to assist undeveloped countries to install/improve their drinking water systems.

Our main funding project is a silent auction which MSAWWA & MWEA donate all proceeds from the silent auction to the countries of Honduras & Malawii. We have recently included raffles to support the activity for WFP.

Therefore, we are asking our esteemed conference supporters such as you or your company to donate an item for this year's WFP fundraiser. There is no donation to small. You may donate an auction item of your choice, or, if you prefer, you may make a cash donation to MSAWWA / MWEA for WFP.

If we receive your contribution by April 15, 2009, you will receive recognition in our conference program, as well as podium recognition during the conference. Due to printing deadlines, anything received after April 15, 2009 will receive only podium recognition. If you wish to send your item to the conference with a member of your employ instead of mailing it to us, please forward your company name, a contact person & indicate the item to be given. Please use the attached form for all donations.

Both MSAWWA & MWEA take pride in the funds we raise yearly for WFP & this is due to all of you that continually offer your generous support. Thank you for taking the time to consider this request & for your constant support to our organizations. We look forward to seeing you May 6-8, 2009 in Missoula at the Hilton Garden Inn.

Sincerely,

Shelley Nolan & John Camden
